

FRIENDS OF MALTON MUSEUM:
Application Form for Membership

The Aims of the Friends of Malton Museum

The society was founded in September 1975:

- To encourage more people to visit the museum exhibition and participate in museum events
- To help maintain the collection
- To provide voluntary assistance and financial support for the Museum
- To arrange lectures, exhibitions and social events of historical and archaeological interest

Although the Museum has limited exhibition space at The Subscription Rooms, Yorkersgate, the bulk of this widely respected and highly valued Collection is now in store with the hope that it may be more fully displayed locally in a larger location at some time in the future. The education group continues to work in local schools and wherever possible in the community. The **Friends of the Museum** intend to continue to support the Museum in whatever ways they can and to work in whatever ways are possible to sustain a future for the Museum in Malton.

I would like to become a member of the Friends of Malton Museum (Please use Block Capitals)
