

Roman Fort Challenge

Lucius has a busy day completing task around the fort
Can you match the numbered tasks on the left with the items on the right?

1

Lucius wants to make some notes
There was no paper in Roman times
Which item could be used instead?

Lucerna/Oil Lamp
This item needs a wick
adding to it so it can be lit

2

First Lucius visits is the latrines
Roman toilets didn't have loo rolls
Which item would be good at cleaning?

Strigil
This useful item would be good
to scrape dirt and oil off skin

3

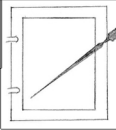

Next stop is the decorative bathhouse
Romans used olive oil to loosen dirt
Which item would help to remove it?

Abacus
This item would be very helpful
for doing lots of counting

4

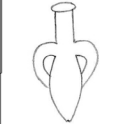

Whilst Lucius is at the bathhouse he
also wants to clean his nails
Which items is delicate enough?

Tabula/Wax Tablet + Stylus
This item has a soft surface
that can be marker easily

5

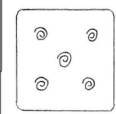

Now Lucius visits the blacksmiths
There is a fence that needs repairing
Which item could be used for this?

Amphora
This item could hold a lot of
liquid if it is kept upright

6

Lucius has been asked to take some
olive oil to the kitchen
Which item could carry this olive oil?

Alea/Die
This item is just right for
playing all sorts of games

7

Once Lucius is in the kitchen he has
some herbs that need crushing
Which items would be good at this?

Nummus/Roman Coin
This item would be ideal for
paying someone

8

Lucius also has a task at the bakery
There is a lot of grain that needs milling
Which items could make lots of flour?

Beehive Quern
This item would be great at
doing a lot of grinding

9

It is time to visit the treasury
This is where all the coins are counted
Which item would help with this?

Clavulus/Iron Nails
This item would be just right
for making a repair

10

After all of this hard work Lucius can
now collect some payment for his efforts
Which item would be a good payment?

Tersorium/Sponge on a stick
If this was dampened it would
clean things really well

11

Lucius has been invited to the courtyard
to play some games with his friends
Which item could he take with him?

Mortarium and Pistillum
This item would easily crush up
something small

12

Finally Lucius returns to the Barracks
It is now dusk and it is getting dark
Which item would provide some light?

Chatelaine
This fine item would be perfect
for delicate cleaning

Roman Fort Challenge

Have a go at drawing the objects in the boxes by following the arrows around the Roman Fort
