

Roman Kitchen Challenge

Whilst the Romans were in Britain many new foods were introduced or improved
 Can you help Lucius to find all the Roman foods in our kitchen?
 Lucius has made a list on the other page to help you find all of these Roman foods

Modern Foods

There are still some items left that would not have been in a Roman kitchen

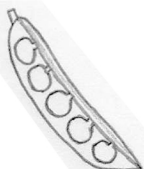

Can you write their names in the boxes below?

Roman Kitchen Challenge

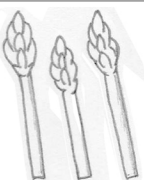

Lucius has made a list of Roman foods for you to spot in our Roman Kitchen
When you have found an item in the kitchen, colour it in or circle it
Tick the boxes on the list too, so you know which foods you have already found

<input type="checkbox"/>		Onions Cepe
--------------------------	---	-----------------------

<input type="checkbox"/>		Parsnip Pastinaca
--------------------------	--	-----------------------------

<input type="checkbox"/>		Peas Pisorum
--------------------------	---	------------------------

<input type="checkbox"/>		Radish Radicula
