

Roman Legionary Challenge

Meet Marcus who is a new Legionary, and help him to find all his equipment
Can you help Marcus to find all the missing pieces of equipment below?
Lucius has made a list of Legionary equipment on the other page

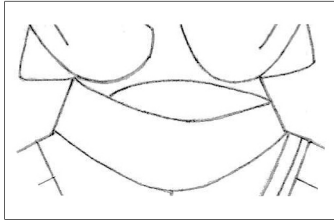

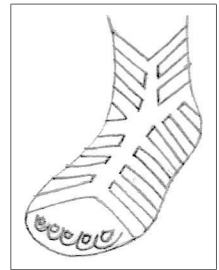

Roman Legionary Challenge

Marcus has a lot of important equipment to take with him and look after
 Can you help by spotting where these missing items should go?
 Try drawing the missing pieces – or carefully cut them out and sticking them into place
 Then colour everything in, the tunic would usually be red

Marching Boots

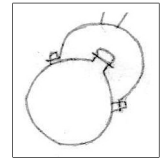

Caligae

These boots had hobnailed soles, and lots of straps that made these boots look more like sandals than boots – Can you fill in the missing straps?

Scarf
Focale

A **Focale** was used to make wearing heavy armour more comfortable – Can you add a **Focale** to Marcus?

Marching Pack

Sacrina:

Waterskin
Laguncula

String Sack
Saccus

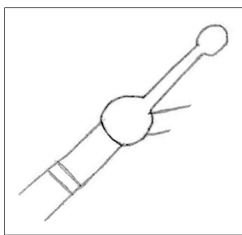

Saucepan
Patera

Blanket
Lodix

Satchel
Loculus

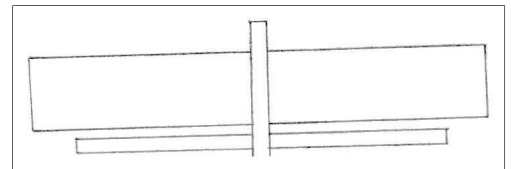

Cooking Pot
Olla

Everyday personal equipment was tied to a stick called a **Furca**
 Can you find where the **Blanket** and **Waterskin** belong?

Sword Belt
Balteus

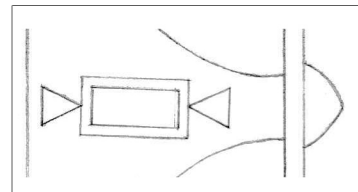

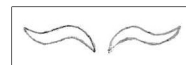

A **Balteus** was worn diagonally from left to the right and held a short sword called a **Gladius** – Can you add the missing hand-grip?

Helmet
Galea

Shield
Scutum

A Helmet and shield were decorated with patterns such as wings
 Can you add these decorations to the **Helmet** and **Shield**?

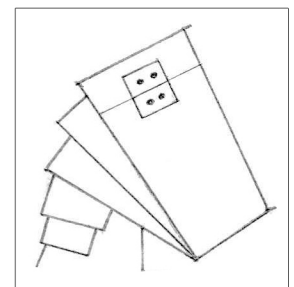

Armour

Lorica

A Legionaire would wear two layers of armour over a red coloured tunic that was about knee length – Next a scale armour vest called a **Lorica Squamata** made of lots of small plates would cover the body – Over this there were four sections which were strapped together called **Lorica Segmentata**

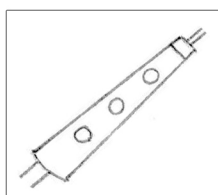

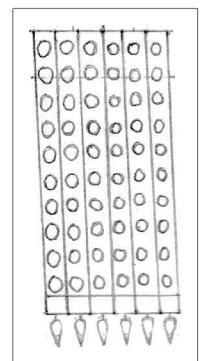

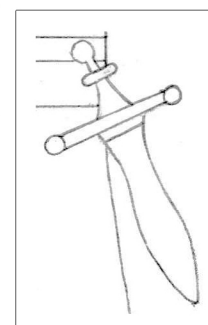

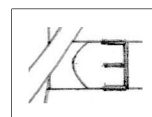

Can you spot where the missing pieces of **Armour** belong?

Military Belt

Cingulum Militaire

This was a belt with studded leather strips called **Baltea** hanging from it and a dagger called a **Pugio** – Can you see which pieces are missing?

Spear
Pilum

A **Pilum** had a long wooden shaft that held an pointed iron spear
 Can you add this missing piece to Marcus' **Pilum**
