

Roman Estate Challenge

Lucius would like you to meet another one of his friends Augusta who lives in one of the villas nearby. Can you help Augusta to get ready for an important Roman celebration by matching all the clues below?

1 Augusta has a lot of farm workers who need special equipment to harvest crops. Which item could harvest these crops?

2 One of the places Augusta needs to send some of these crops is a local brewery. Which item could make some Roman ale?

3 Augusta would like to impress her guests with fine drinking vessels. Which item could Augusta use?

4 Another important job is keeping all the gardens looking neat and tidy. Which item would be useful for this?

5 There will be lots of guests at the villa who are expecting to be well fed. Which item is large enough to feed them?

6 Next Augusta needs to find some kitchenware that can be used for stirring. Which item would be suitable for this?

7 Augusta would also like a new tunic to be made using some delicate cloth. Which item could be made into fine cloth?

8 A local weaver is missing a tool she needs to make Augusta some fine cloth. Which item could help make this cloth?

9 Augusta now has some fine cloth which needs to be stitched together. Which item could do this stitching?

10 Once Augusta has her new tunic it needs something to keep it fastened together. Which item could Augusta use?

11 Augusta has lots of tangles in her hair that she would like to straighten out. Which item is ideal for this?

12 Finally, Augusta would like to keep her hair looking neat during the celebrations. Which item is best for doing this?

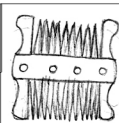

Drinking Cup
This item is used when there are special celebrations.

Linen Bundle
This fine item could be easily woven into cloth.

Spoon
This item would be perfect for mixing things together.

Bone Comb
